DIRECTIVES of MCP CR on a Moirangpurel Viral Video
Dated the 7th March, 2024

MCP CR is pleased to take up suo motu cognizance upon a viral video uploaded in Facebook Page of one **EC Mangang**, capturing pitiable living conditions of four minors at a place of Moirangpurel, Imphal East.

Looking into the compliance with ethics and norms to be followed while broadcasting, publishing or telecasting of such vulnerable children, the uploader of the viral video seemed to be unaware of standard ethical guidelines. However, it is palpable that the video maker seemed to be having no malafide intention. MCP CR appeals to all concerned once again, not to upload videos, photos of destitute children resulting to unrestraint exposure of the children, which may hurt their emotional integrity, sentiment, privacy, decency and dignity a lot.

MCP CR, after considering the best interest of the children, hereby recommends the Child Welfare Committee (CWC) Imphal East to submit a detailed report of the said four children and measures being prescribed by Child Welfare Committee to protect and rehabilitate the children.

It is highly recommended here that process for inclusion of the children in the Mission Vatsalya Scheme's Sponsorship programme, must be initiated on priority basis for these needy children.

The District Child Protection Unit, Imphal East is directed to assist the CWC Imphal East to materialise the above stated recommendations.

Further, an action taken report is expected to submit to the undersigned on or before 9th March, 2024.

Yours sincerely,

(Keisam Pradipkumar)
